SUPRAZU

A NEW LANDMARK IN LIFE

Embark on Life's Journey with the Heart of a Champion

SUPRAZU
P-END

Dream boldly and act bravely, starting right now.
Embrace every possibility in your life.
Invest wholeheartedly, and all your aspirations will come true.
Cross boundaries and welcome the unknown challenges ahead.
Together on this journey, we will accompany you to your utmost desires.

SUPRAZU
P-END

The Journey is Life
Champions must step ahead, seizing the opportunities of the era.
Move forward bravely and remain steadfast in your inner choices.
Masterfully control, with a heart that embraces the vast world.
Expand your horizons, igniting brilliant inspiration.
Drive the course of your life with renewed energy.

SUPRAZU P-END

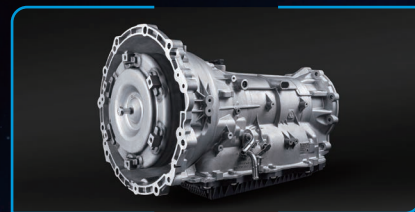

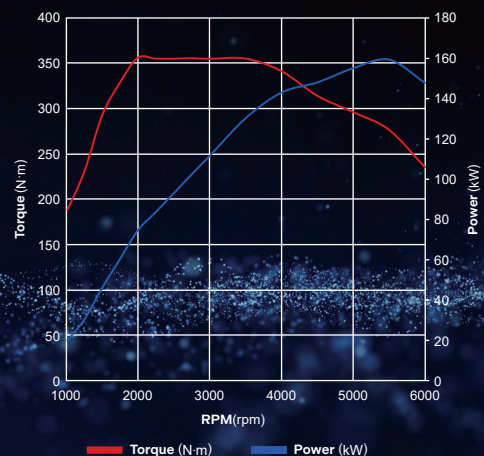

UNLIMITED JOURNEY

March forward with the heart of a champion

Industry-leading 2.0T gasoline engine, delivering unstoppable force. Paired with the ZF 8-speed automatic transmission for a smooth driving experience. Equipped with a brand-new chassis system, the handling is steady and effortless, putting the journey completely under control.

• Engine:

Equipped with the JX4G20 2.0T gasoline engine

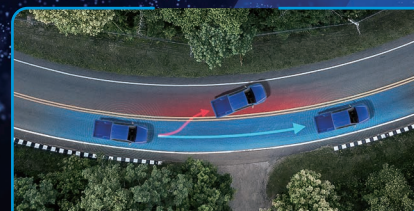

- Transmission:
ZF 8-speed automatic transmission

- Electronic parking brake

- Part-time four-wheel drive

- Electronic Hydraulic Power Steering (EHPS)

- 18-inch wheels

PRIVATE SPACES

Crafting a comfortable space with exquisite quality

The newly designed passenger-oriented intelligent cockpit, immersive wraparound dashboard, and 360° NVH noise reduction system jointly create an exclusive space. The driver's electrically heated seat, ergonomic leather interior, and storage space elevate the comfort of the passengers to a new level.

- Ergonomic leather seats

- Rear air vents

- Multi-functional adjustable leather steering wheel

- Electronic illuminated dashboard

- Automatic air conditioning

• Cockpit:

Newly upgraded sensory intelligent cockpit

SUPRAZU
P-END

- Automatic headlights & rain-sensing wipers

INTELLIGENT TECHNOLOGY

Utilizing intelligent technology to create a new experience.

Enhanced intelligence brings a higher level of driving and riding experience. Equipped with a new generation of audio-visual entertainment systems, Bluetooth & keyless entry, and other extensive intelligent configurations. Comprehensive front, middle, and rear safety warning assistance systems ensure peace of mind on every journey.

- Bluetooth key & keyless entry

- GPS

- 8-inch central display
New human-machine interaction system

- Voice control

- Wireless charging

SECURITY ESCORT

Pioneering new journeys with all-round protection.

High-strength body, four-door anti-collision structure, combined with airbags, achieving ANCAP five-star rating for passive protection. FCW, RCW, BSD, and other active warning systems provide endless peace of mind. Equipped with ESC, TCS, and 360-degree panoramic driving assistance system, superior active and passive safety features fully safeguard your travels.

- Forward Collision Warning System (FCW)

- Driver and passenger airbags

- Warning System

- 360-degree surround view camera

- Lane Departure Warning (LDW)
